RPB Series Pushbutton Pendant Stations feature steel reinforced rubber construction with a tongue and groove cover plate to protect buttons from many elements. The RPB Series support a number of applications with single and two speed operation, momentary and maintained switches, and a variety of accessory and replacement parts. Wire mesh grips for added strain relief are available.

- Nitrile Rubber Construction
- NEMA 1, 3, 4 and 12
- UL Listed and CSA Approved

## Enclosures

Each complete enclosure includes a standard package of legend plates, cord grip and strain relief bracket.
